ar Harold,

Just a quick note, and xeroxs on Greek Heritage Foundation
w much deeper do you need to go? I could cross check some of t
mes you gave me if really needed. If they are a snoop-spook fr
certainly would be interested for a story. Janus is a biggie
ney and societywise both.

I lucked out on the phone number for the Brother. By cros
reet addresses and phone numbers I found that the no. is lis as Edgar
ley, 113 N. Aurora, West Chicago. Not a bar or business as
ll. I'll check through my bugging clips after reading your l
m on day shift now and don't have as much spare time.

on Bailey.
